Education

2022 – Present	Ph.D. in Geography Department of Geography, University of Florida, Gainesville, FL, USA Cumulative GPA: 4/4 Expected graduation: May 2027 Dissertation: Data-Driven Conservation: Integrating AI and Remote Sensing for Monitoring Ecosystem Changes
2016 – 2019	M.Sc. in Remote Sensing and Geographic Information System (GIS) Department of Remote Sensing and GIS, Kharazmi University, Tehran, Iran Overall GPA: 19.30/20 (4/4) (Ranked 1 st)
2012 – 2016	B.Sc. in Natural Resources Engineering Yazd University, Yazd, Iran Overall GPA: 17.70/20 (3.67/4) (Ranked 1 st)

Graduate Certificates

Mapping with Small Unmanned Aerial Systems (UAS)	Digital Geography and GIS	Medical Geography
• FAA Part 107 Remote Pilot Certificate • Flight planning and deployment • Field survey • Photogrammetry • LiDAR	• Geospatial data analysis • Remote sensing image processing • Geo-visualization • GIS Programming	• GIS for zoonoses and disease ecology • GIS models for public health • Landscape epidemiology • Disease diffusion modeling

Research Interests

• Remote sensing and geospatial analysis • GeoAI and geospatial modeling • UAS-based remote sensing and data collection	• Land-cover change detection • Vegetation dynamics and time-series analysis • Conservation and landscape ecology	• Disease mapping and spatial epidemiology • Vector-borne disease and ecological niche modeling
---	---	---

Technical Expertise

- **Programming for geospatial workflows:** Python, R, JavaScript
- **GeoAI:** Machine learning and deep learning for remote sensing and GIS applications using TensorFlow and PyTorch.
- **Cloud & geospatial computing:** Google Earth Engine and AWS
- **Web GIS and web mapping:** Interactive web applications and 3D geospatial visualizations using HTML, CSS, and web mapping libraries.

Geospatial Software & Platforms

- | | |
|---|--|
| <ul style="list-style-type: none">• Esri ArcGIS platform (ArcGIS Pro, ArcGIS Online, StoryMaps, Survey123)• QGIS• Pix4D• PostgreSQL/PostGIS and SQL Server• GeoDa | <ul style="list-style-type: none">• SaTScan• ENVI• ERDAS IMAGINE• Global Mapper• PCI Geomatica |
|---|--|

Teaching Experience

2022-Present Instructor, Department of Geography, University of Florida.

GIS 3043/5107C: Foundations of GIS / GIS in Research (4 cr.):
Fall 2025-Summer 2026

- Instructor for a combined undergraduate/graduate course introducing GIS concepts, spatial analysis, and geographic data visualization.
- Designed and delivered hands-on labs in thematic mapping, cartography, georeferencing and digitizing, spectral analysis, land-cover change analysis, spatial interpolation, and LiDAR data analysis.
- Guided students through independent final projects.

GIS 2002: The Digital Earth (3 cr.):
Fall 2022-Summer 2025

- Instructor for an online undergraduate course introducing digital geographic data, maps, satellite imagery, and aerial photography.
- Taught foundational GIS and remote sensing concepts for visualizing and analyzing environmental and societal patterns.
- Guided students in creating maps and performing basic spatial analysis using digital geospatial data.

Additional Courses Taught: GEO 2301: The Next Pandemic (TA); GEO 3352: The Human Footprint on Landscape; GEO 3427: Plants, Health, and Spirituality; GEO 2500 Global and Regional Economies (TA).

Publications (Total: 8; 1st-author: 3; h-index: 4; i10-index: 3)

Conferences and Professional Workshops

- **Ecology and Evolution of Infectious Diseases (EEID) Conference (2026)**, Blacksburg, VA.
- **VectorByte Training Workshop (2026)**, Blacksburg, VA.
- **Esri User Conference (2026)**, San Diego, CA.
- **Geo Week (2026), Denver, CO — Poster:** Subpixel Monitoring of Land-Cover Changes Using Spectral Mixture Analysis and Trend Analysis Techniques.
- **American Association of Geographers (AAG, 2026), San Francisco, CA — Paper:** Time Series Subpixel Mapping of Land-Cover Change with MESMA and BEAST Algorithms.
- **UF/FL-ASPRS Fall Geospatial Workshop (2025), Apopka, FL — Paper:** Quantifying Canopy Structure Change at NEON TALL with Discrete-Return LiDAR (2016–2024).
- **Southeastern Division of the American Association of Geographers (SEDAAG, 2025), Lexington, KY — Poster:** Continuous vs. Discrete Approaches to Land Cover Change Detection.
- **AAG (2025), Detroit, MI — Poster:** Assessing Land-Cover Changes in Addo Elephant National Park Using Continuous and Discrete Approaches.
- **AAG (2024), Honolulu, HI — Paper:** Land Use and Land Cover Classification in Addo Elephant National Park: Analyzing the Impact of Variables, Algorithms, and Object-Based Approach.
- **Florida Society of Geographers (FSG, 2024), St. Augustine, FL — Poster:** Object-Based Classification for Land Cover Change Mapping in Addo Elephant National Park Using Landsat Imagery.
- **SEDAAG (2023), Norfolk, VA — Poster:** Precision Land Use and Land Cover Mapping in Addo Elephant National Park Through Landsat-8 and Google Earth Engine.
- **SEDAAG (2022), Atlanta, GA — Poster:** Optimization of Species Distribution Models Using a Genetic Algorithm for Simulating Climate Change Effects on Zagros Forests in Iran.

Leadership and Service

- **Vice President, University of Florida Student Chapter of ASPRS** (American Society for Photogrammetry and Remote Sensing) 2025 – Present
- **Representative, UF Geography Student Services Committee (SSC)**, 2026 – 2027
- **Peer Reviewer:** *Discover Environment*, 2026
- **Peer Reviewer:** *Modeling Earth Systems and Environment*, 2025
- **Member of Scientific Association, Department of Natural Resources Engineering, Yazd University**, 2013 – 2016

Honors and Awards

- **International Geographic Information Fund (IGIF) Graduate Research Award**, American Association of Geographers (AAG), 2026
- **Top Published Student Research Article Award**, Evening of Excellence, Department of Geography, University of Florida, 2026
- **Excellence in Teaching Award**, University of Florida, Spring 2024 and Fall 2024
- **Poster Award**, UF/FL-ASPRS Fall Geospatial Workshop, 2025
- **Ranked 1st in M.Sc. Cohort**, Kharazmi University, Tehran, Iran, 2019
- **Ranked 1st in B.Sc. Cohort**, Yazd University, Yazd, Iran, 2016

Travel Grants and Awards

- **Evan Coe Travel Award in Medical Geography** (\$2,000), 2026
- **Florida Region ASPRS Andregg-Beasley Student Travel Award** (\$650), 2026
- **CLAS Graduate Student Travel Fund** (\$450), 2026
- **UF Research Travel Award** (\$400), 2026
- **Geography Graduate Student Travel Award** (\$400), 2026
- **Graduate Student Council Travel Grant** (\$400), 2026
- **UF Research Travel Award** (\$300), 2025
- **Geography Graduate Student Travel Award** (\$300), 2025
- **Graduate Student Council Travel Grant** (\$350), 2024
- **Geography Graduate Student Travel Award** (\$300), 2024
- **Geography Graduate Student Travel Award** (\$300), 2023
